## SRI'AMA QALA AND THE ENLIGHTENED MASTER'S EGYPTIAN JOURNEY OF ILLUMINATIONS

### THE 16 DAY PROGRAM OF THE SACRED JOURNEY

October 1st—October 17th, 2010

**Important Note#** The Mercure group of hotels purchased the Sofitel Le Sphinx hotel in Cairo mid year. This has created a name change to Mercure Cairo Le Sphinx hotel and the Mecure Hotel Group also commenced renovations on their conference rooms. Therefore, our conference room will not be available for the duration of our journey in Cairo - October 1 to October 4. We have booked the conference room of the Movenpick Hotel next door for all group meetings. It shares a common wall with the Mercure Cairo Le Sphinx and is very close.

**Meeting point at 10 am 1st October - meet at 10 am in the lobby near check-in of the Mercure Cairo Le Sphinx hotel.**

On 1st October there is a Celestial Project linkup in the conference room at the Movenpick Hotel between 10.45 am and 1.00 pm for those passengers who have arrived. To ensure an efficient unity of the group I am asking all who have arrived to meet at 10 am in the lobby near check-in of the Mercure Cairo Le Sphinx hotel. We will then move as a group to the Movenpick Hotel conference room. When we enter the conference room by 10.45 am we must immediately sit in silence in energetic preparation for the linkup as we anchor our pillars.

On completion of this journey, all will automatically write from their divine connection in response to a series of specific questions to begin to receive the first primary connection to their Akasha regarding their previous lifetimes in Ancient Egypt and their power of creation. All will sound the mantras after grounding their pillar into the Portal of the Sphinx to receive their Rainbow Serpent Body (Original Creation Body from Ancient Egypt and Atlantis) and a re-connection to an octave of their higher consciousness where they hold the oneness and knowing of their connection to the Creation Mother and Father through the creation lines of Mother Earth. This process will prepare you to receive your Rainbow Serpent Body and your clear connection to the Creation Mother and Father. The sacred sounds we will activate at the Sphinx are the original mantras that open the 7 lower bodies and chakras

to the creation portals and creation field of the Earth. We will be opening our field of consciousness and chakras to prepare to receive our original creation body as Mother Earth, with the support of the Enlightened Masters, Guardians & Ancestors & Caretakers and many Celestial Presences, ignites the lines of creation within the Earth at Giza to begin the clearing of the creation lines in preparation of the activation of the creation crystal that lies beneath the Giza site in Cairo.

Throughout all journeys to sites, all will be asked to carry their Divine Presence Journal of Creation with them so they may automatically write all that is received as they connect and receive higher truths regarding their Akasha and their inner energetic circumstances and the truths of their aspects of consciousness that are in the process of healing and re-opening.

We will call on the Creation Mother and her rainbow serpent body to open our bodies and fields to this divine portal held by Mother Earth. We will give thanks for all our past creations and offer to Mother Earth, all we may hold within our feminine nature that fears our path of creation and that felt incomplete from another time, as a voidal portal opens through ceremony with the Enlightened Masters and the Creation Mother of the Earth. This voidal portal of pure love will be an anchoring of a new temple through the Saqqara site, which will support the frequency of unconditional love to be held for all in the Middle East through the creation lines. The creation lines will be opened again through this site by all occurring in alignment to this ceremony, as we ask for the healing of the Earth goddess that is the caretaker of this site, and we work with the guardians, portal keepers and the ancient lineage of the Egyptian Masters to clear this site for Mother Earth's grids and portals of creation to enlighten, and through this, release aspects of ourselves that are incomplete from other lives.

All will receive the highest activation of our journey, on top of Mt Sinai, an original creation portal of the Earth, which is the source portal on Earth that holds the original tablets of creation. Here we will enter ceremony with hundreds of thousands of presences, angels and emissaries who will be focusing on the Liberation of the Tablets of Creation and the unbinding of them from the old portals of Atlantis and Egypt. A deep healing ceremony will take place where we will represent humanity in the forgiveness of all creations based on religion and faith, where humanity's personal power was given to the alter ego or to astral fears and dark intentions, when actions were made that harmed, hurt or shamed other souls to a state of disempowerment. As this healing ceremony takes place, the unlocking of the Divine Father Portal in the Middle East will take place, and the original Creation Tablets will be activated through all creation lines of the Earth.

All present will receive these tablets through every cell of their body and into every filament of their consciousness, and the codes of creation will activate through their DNA and family tree. The Original Tablets of Creation are connected to the birthing of all faiths, and hold the power of the essence of all religion and faiths and activate a soul's power of creation as a child of Oneness, Love and Wisdom. They deliver immediate karmic absolution to all souls for all acts and deeds they have committed with the use of their power and return aspects of a soul's consciousness to their original faith in their divine connection and personal empowerment as a child of God/Goddess. They dissolve the fear that accessing one's power will lead to the harming of others or self.
