I chose to receive this time with Qala Sri'ama

Are you in some form of life transition/life change at this time? - where your life circumstances are changing or you are changing deeply in some way... If so, please describe:

YOUR PRESENT SHORT TERM GOALS

What are your 3 most important goals for the next three months?... these are goals you are presently working towards achieving at this time...

My first short time goal is:

My second short term goal is:

My third short term goal is:

YOUR RELATIONSHIPS

Who are the most important people in your life presently (first names only) and what is their relationship to you? Eg. Gloria- mother, Sally – lover or Max - boyfriend, Gabriel – business partner, Daniel – friend

The most important people in my life are:

Do you have a healthy relationship with your parents, partners or children? Are any of these people in your life or have you been separated from them in some way? Please describe your relationships briefly eg. Peaceful and loving, stressed and difficult communication.

My relationship with my partner is:

My relationship with my Father is:

My relationship with my Children is:

HOME

Briefly describe your homelife briefly, and if you live alone, or with family, friends etc... and if your homelife feels balanced and peaceful?

My homelife is:

WORK

Briefly describe your work, or the main activities of your life and if your work life or life of activity feels easy or not, and is something you enjoy.

My main time daily is spent or my work is:

YOUR SOUL'S SENSE OF SECURITY

Do you experience physical, emotional or mental security at this time in your life? This security is a place of feeling the safety as a soul that allows your soul to sleep peacefully. Deep levels of anxiety are experienced due to high levels of insecurity on these levels of ones being.

Yes

No

If not, in what way do you need more security in your life?

YOUR FUTURE

Do you have feelings and thoughts about anything specifically that seems to hold you back in life from being a fulfilled human being in the now or in the future? If so briefly describe this.

At times I feel held back in life by:

DIVINE ASSISTANCE

You will receive not only a deeper connection to your heart and flow of love in your life but also receive an introduction to an enlightened master, who you may ask for daily assistance in your life. Once the introduction has been created, would you be willing to spend ten minutes each day receiving divine energy from this enlightened teacher and guide, for the benefit of your life?

- Yes I would enjoy this
- I am open to this but this would be new to me
- I am unsure

Would you be able to connect to a daily practise for ten minutes to access these strengths as a process of self – support for the benefit for your life so you meet these goals more easily?

- Yes
- I am unsure

What would you like to take away with you from the quality time you spend with Qala?

I would love to take away with me:
