The Temple of Humanity — Two Day Workshop

Date: **Saturday 21st – Sunday 22nd August 2010**

With Sri'ama Qala, Sananka and the Enlightened Masters

Is spiritually focused on illuminating our divine connection with our fellow humanity and our world. It will powerfully accelerate a soul's abilities to access their higher wisdom and love as well as their own transformation process... or to access their role as guides to others on their path of transformation and healing.

Within the workshop, all souls will receive understandings of their divine connection related to:

- how to act more deeply on their own spiritual path or as guides for others through connecting to the Temple of Humanity
- how to feel the blessing of being a human in a reality where not all are at peace or in a state of loving awareness or forgiveness
- how to feel the blessings of others and their grace, even when they are not in a higher state of connection.

Within the workshop all souls will receive the experience of conscious loving relationships of how to act more harmoniously on one's own daily path within one's biological planetary family, within one's universal spiritual family & within one's cosmic heart family through connecting to the Temple of Humanity. This workshop will nurture and illuminate a soul's inner connection with Source and with Humanity and support deeper levels of oneness, trust and faith in one's own divine connection and in one's fellow humanity to make "the Shift" in full consciousness.

SPIRITUAL JOURNEY TO EGYPT

October 1st – October 17th, 2010

Egyptian Journey of Illuminations for the Reactivation of your Power of Creation and The Illumination and empowerment OF YOUR CONSCIOUSNESS as a creator of your reality & in planetary service to the clearing of the creation lines of the earth... from The Great Pyramid — Sphinx – Saqqara — Luxor – Karnak — Valley of Kings Aswan – Philae — Abu Simbel — to Mt Sinai and The Red Sea.

The Enlightened Masters lovingly invite you to be a member of the first seed group of humanity to travel with them through the three primary gateways of ascension to reactivate your original connection to the power of creation through the newly reactivated creation portals of Egypt. During October of this year, these planetary portals will be fully opened by the Ancient Egyptian Masters and Mother Earth for a clearing of the planetary lines of creation that originally seeded humanity's civilisation.

This alignment will primarily take place through receiving a series of illuminating sessions at specific sacred sites in Egypt with the Enlightened Masters and your Divine Presence for reconnections, clearings, completions and embodiment of your Divine Presence.

- specific encoded sessions of wisdom and a powerful form of frequency based unique energy assistance from the Enlightened Masters.
- guided soul journeys into the cities of light, chambers and temples that each sacred site holds for specific purposes.
- You are given specific guidance to access the unknown larger parts of your energy and consciousness and enter ceremonies that assist your consciousness and energy to activate your power of creation.
- a journey of travelling along the creation lines of Egypt and working with the Original Mother Line or Feminine Serpent of Creation and the Holy Father Portal of Creation held throughout the whole of the Middle East to ground your power current through all chakras of your energy field.

SPIRITUAL TOUR TO MEXICO

Date: **14th – 21st December 2010**

The Sacred Journey to the Maya Lands... from Uxmal to Chichen Itza to Palenque with Sri'ama Qala and the Enlightened Masters

Invitation to all connected to the Ancient Maya in other lives to travel to 3 sacred sites, temples of the Maya in Mexico for the healing journey of the Mayan Priest, working with all Mayan Priests of the Ages and Worlds and assisting the healing of the Priests in spirit and in body, in preparation for the completion of the present cycle of the Mayan Calendar in 2012.

There are many ancient secrets held in the Mayan portals not presently held by any of the Elders or Wisdom keepers that need to be accessed before the completion of the Mayan calendar. The healing of the group consciousness of the Ancient Mayan Priests is a part of what needs to occur to allow this knowledge to be accessed by more people on Earth.

On this ceremonial journey we will

- begin our travel at the base chakra and complete at the crown chakra on the Winter Solstice
- contact Kulkulkan for the release of the old initiations that the Mayan Priests were unable to complete, the healing of the old wheels of The Maya and release of old karmic memories that may in any way block the journey into the new world and new consciousness from taking place freely with love and empowerment
- contact the Mayan Elder Spirits of the land and of the Galactic Cycles and receive divine truth, wisdom and higher guidance from the establishment of our new connection
- receive the new time codes for the shift into the new world, new age as this occurs as a portal activates to the source of the enlightened realms, allowing all secrets stored to be released into the libraries of light on Earth and the serpent/creation lines and portals of Earth.
- Receive The Quetzalcoatl Body as old initiations will be honoured and released.

A reconnection to the new field of consciousness of the Earth Mother and the creation currents, serpent lines of the Earth will be opened as we do this work within the Maya lands and the group consciousness of the Mayan priests who have held the secrets of time and space, dimensions for all beings.

All enquiries may be sent to: qpa@qalasriama.com

Blessed Be.
