## ABOUT WESAK 2011

Join Qala Sri'ama and The Enlightened Masters for the Wesak Ceremony  
in Sydney or via the Worldwide Wesak Linkup

May 17th 2011 at 6.30 pm (Meditation & Ceremony 7-10pm NSW time)  
Held at Mosman Art Gallery & Community Centre, Sydney Live  
or in your Timezone in your Own Home.

With all of my heart, I invite you to join me for the Wesak Ceremony in Mosman, Sydney, Australia or to link with me via the Divine University's Worldwide Wesak Linkup.

A beautiful group will gather in Sydney and many people will link worldwide via phone and via their altars and pillars with us, through World Wide Wesak Linkup to receive the preparation and Wesak Ceremony this year. You are very welcome to receive the highest blessings and dispensations for your year ahead on your spiritual path!

We will enter deep meditation and be supported to receive this years Wesak blessings and gifts from Buddha and the Enlightened Planes. Let us be bathed in the light, ignite our hearts and love and share in soul family, this sacred experience. It only occurs once a year and this years Wesak is very special.

WESAK IS THE BEGINNING OF THE NEW SPIRITUAL YEAR AND THE TIME WHEN MOTHER EARTH OPENS HER PORTALS TO RECEIVE THE LARGEST AMOUNT OF LIGHT FROM THE HEAVENS, FOR HER NEW REBIRTH. Wesak is Buddha's birthday and the beginning of the new spiritual year; the time when all initiates of the path of the heart and lightworkers enter full moon ceremony with Buddha, the Enlightened Masters and their Divine Presence to gently seal and complete their initiations from the last year, and receive a vial of concentrated light to support the enlightenment of their consciousness and energy for all they wish to offer as their service over the next year. This service is a heart calling and benefits others. Often we can become drained when our heart guides us to give service to others, when we do not receive regular replenishment of light and love. Wesak is a support to a soul's dedication to their path with the light, and all who attend the Wesak Ceremony receive divine dispensations for their year ahead.

*for a unique experience*

## WHY IS THIS WESAK SPECIAL?

This year is a special Wesak Ceremony as the Enlightened Masters are able to offer all on the spiritual path, a dispensation for one thing in their life that they have difficulty completing with love and self empowerment. This dispensation is the lifting or dissolution of this cause of difficulty in a soul's life. Wesak is one of the most important yearly events for all on the spiritual path as it is a time of completion and new beginnings for all, spiritually. As we know, our spirit feeds our mental, emotional and physical reality. As above, so below. If we complete spiritually, we can feel complete and whole mentally, emotionally and physically.

As the vibration of the earth is raising and so much is being shaken up inside people and within the Earth's body, some people on the spiritual path are finding it is more difficult to let go with love and acceptance, and complete with what no longer serves their path. This special dispensation is offered as a support to all who attend Wesak, as a deep focus is being made on all awakened souls willing to help others and anchor the light in our society, so that they may stay open, fearless, empowered and grounded in their faith and love when others need this form of support.
