

## HOW TO JOIN THE WORLD WIDE WESAK LINKUP?

The WORLDWIDE WESAK LINKUP is co-created by the Enlightened Masters, Archangels and Angels and Mother Gaia and some of the members, emissaries and teachers of The Divine University on Earth. This specific linkup process activates a divine pillar of energy in your meditation space, or expands a pillar you may already have built in your meditation space.

Read the following information about the LINKUP and THE PILLAR PROGRAM so you understand how joining the LINKUP offers you to be supported to receive a special illuminated and protected portal of pure light and love to open in your sacred space, offering you a deeper connection to the enlightened realms during your Wesak meditation and ceremony.

### **WHAT IS THE PILLAR PROGRAM?**

The Pillar Program is a program of assistance for all LoveLightworkers, Healers, Emissaries and Spiritual Teachers, facilitated by 22 Enlightened Masters – Kuthumi, Archangel Michael, Sananda (Christ), Djwhal Khul, Lady Nada, Mother Mary, Lady Portia, Saint Germaine, Maitreya, Sanat Kumara, Venus Kumara, Quan Yin, Buddha, El Morya, Paul the Venetian, Hilarion, Serapis Bey, Archangel Metatron, Allah Gobi, Vyramus, Lenduce and Mahatma.

It specifically supports lightworkers or healers to expand the spiritual pillars in their homes or temples, or their Light Centres or healing centres by igniting the enlightened frequencies through the pillar regularly, so the pillar of light and love builds to a higher level of empowerment. When a soul begins to work with a pillar that carries enlightened frequencies in larger amounts than their own initiation allows, their pillar is able to feed them, as well as many others, to spiritually grow.

Many on the spiritual path feel drained when they are helping others regularly through the use of their light connection. When souls work within a sacred space that holds a higher frequency than their own or what they can draw in via their spiritual connection, they are uplifted to receive volumes of light and more than enough to benefit many others also.

The Pillar Program receives its enlightened frequencies from the source of Gaia's ascension portals. It takes great skill and many years of mastery and years of karmic clearing to be able to braid your pillar to the highest frequency portals of the Earth. To assist you, enough people in the Divine University Project have now done this sacred inner work, and because of this, The Divine University Project team have been offered the Pillar Program as a part of its world service and charitable assistance to Lightworkers, Healers, Emissaries and Spiritual Teachers.

Once your email is received, high initiates of ascension will say the prayers for you to receive this special form of assistance, and for your home/workspace (the address you give) to ground a large pillar of love and wisdom into the earth in your sacred space, and arrange with the Enlightened Masters and Emissaries of Light and Angels to place you on the Pillar Program so a large pillar can build, or for the pillar you already have, to expand powerfully. This pillar will begin to form and ground in the space or expand, 3-4 hours before your Wesak Meditation.

### **THE PILLAR PROGRAM WILL EXPAND THE PILLAR OF YOUR SACRED SPACE 10 FOLD, IF YOU HAVE ALREADY BUILT ONE FROM YOUR SPIRITUAL WORK**

If you already have a pillar in your sacred space that you have built through your spiritual work, joining the Pillar Program will support your pillar to expand 10 fold so it can receive 10 times the amount of divine energy when you open it for spiritual work and meditation. This will be received via Wesak, but the Pillar Program will continue to support your pillar following the Wesak ceremony, to expand via creating its powerful connection to the planetary and heavenly ascension portals.

THE PILLAR PROGRAM IS OFFERED AS A PLANETARY SERVICE AND ALSO AS A SUPPORT TOWARDS THE STABILISATION OF MOTHER EARTH'S TECTONIC PLATES

Archangel Michael is calling for only a very small number to join the Pillar Program, although many more are welcome to join and all are encouraged to receive the Wesak Linkup.

The more people linking pillars via Gaia's ascension portals this Wesak, the larger the effect for planetary healing for our beautiful Earth and the stabilisation of her plates which are powerfully shifting at present. Archangel Michael calls for 100 people to link as a minimum number needed, and shares even if only 100 people link through the Pillar Program, great work will take place as 100 large pillars is all that is needed to help ground the new light vibration into Gaia so it can be integrated and received by all of humanity and every animal, plant and being. Wesak is the time when the full spiritual current of the Earth is opened to be magnified. The largest ignition of light is given to all beings on Earth and to Mother Earth as the Buddhic planes fully open to allow this infusion of pure light from the heavens.

Your request to join the Pillar Program will create your altar to activate the grounding of a large pillar of Love and Wisdom in your sacred space and link this pillar to many large crystals that are deep inside of Mother Earth and many large crystals that are grounding divine energy that sit in sacred sites of the Earth. 100 Celestial Angels will support this pillar to link through your heart, the angelic realms of light and into the Earth core, so as you meditate in this pillar, you will receive immense love from Gaia, Divine light frequency from the Enlightened Presences who are your ascension council, and a Divine connection to your Higher Self and Divine Presence. You will be uplifted and raised into a higher state of connection.

The Pillar Program, which is a form of support facilitated by 22 Enlightened Masters, will connect your pillar to many hundreds of Ascension portals within the Earth and also protect it from duality energies, so your meditation can take place without mental/astral/emotional interference. This program will support you to build a Divine Pillar of Love and Wisdom in your space or expand it many fold so your service to the Earth Mother is magnified by the power, love and light of Mother Gaia's highest and clearest frequency portals.

HONOURING WHAT YOU ARE RECEIVING: Once you have sent your email to join the WORLDWIDE WESAK LINKUP and Pillar Program, simply offer a donation to the Divine University Project as your gift back or exchange in energy. This donation will support the linkup, its costs as well as the pillar program and further forms of service to lightworkers and their work in service to the Earth and all beings. The recommended donation is \$35-\$50 for this very special three hour linkup, but this is left to your heart resonance and guidance.
